We have 75 rooms reserved at this time. We have no idea if this is too many or too few. Will you please fill in the coupon below and return it at once? This is not a reservation blank. You will receive the reservation blanks at a later time. We must have a tenative figure of the attendance within the next 30 days. If you plan to go with us to Grand Bahama Island PLEASE fill in the blank and mail it to the address indicated at once. Don't forget to include any guests who plan to go with you. This will not be binding, if you find at a later date you can't go it will make no difference. We would hate to have 75 rooms reserved and at the last minute find that 50 people would have to sleep on the beach.

Help us, will you?
